

American Vision University
Graduate Admission 2024

Pride In Excellence.

American Vision University was established in Los Angeles, California, USA, to provide a high-quality and accessible online learning environment that empowers students to achieve their academic and career goals. Through innovative technology, rigorous coursework, and personalized support, we are committed to fostering a community of lifelong learners who can thrive in a rapidly changing world.

Quality Education: A Community Commitment.

Learn to apply your mind to real world problems, helping you to prepare for the future and get ready for work. AVU provides you with everything you need to stand out from the crowd whilst becoming part of our vibrant international community.

Career Success

Our Careers Service is on hand to support your career planning from your very first day and for up to three years after graduation. As an AVU alumnus, you will also enjoy a number of other benefits, including invitations to events and discounts on further study at American Vision University.

**Success,
Nothing
Less.**

Admission Requirements

Admission decisions are based on many factors, such as the quality of the applicant's prior academic degree and record of accomplishment, statement of purpose, performance in aptitude and achievement tests, relevant work experience, preparation in the proposed field of study, and the connection of the applicant's academic goals with the faculty's research interests.

- Application form.
- A bachelor's degree.
- Official transcripts.
- If your native language is not English, you must submit one of the following: Bachelor's degree where the language of instruction was English, TOEFL, IELTS, American Vision University English Test, or equivalent.
- A current resume (CV) that demonstrates proven progressive experience in a managerial capacity.

The Place To Be.

Transfer

Admission Requirements

Master's degree programs – At most 20% of total credits which are required for the completion of the program can be applied from the credits transferred in the American Vision University. Apart from that, for a master's degree which requires 52 quarter credits, only seven (8) credits can be transferred.

- Credit which is earned in those courses completed from colleges and/or universities that are accredited by the agencies which are recognized by the U.S. Department of Education (ED).
- Course grade should always be “C” or higher.
- The course content and its level must always be comparable to the courses of our program. Quarter credits can be transformed to semester credits by simply multiplying 1 QC with 0.67 so as to find the equivalent semester credit.

Why Choose AVU?

Global Recognition

AVU operates in compliance with the California Education Code and the California Code of Regulations, under the authority of the California Bureau for Private Postsecondary Education.

Exceptional Value

Competitive tuition costs, AVU tuition compares favorably with other US Universities.

Faculty Excellence

AVU faculty recognized for significant contributions to the development of knowledge, professional service, teaching, and mentoring.

Scheduling, Flexibility and Pacing

Online classes are flexible and can be tailored to fit any schedule. They're popular with those who prefer to study from home due to family or professional obligations.

JMI
Journal of
Management
Intelligence

Internationally Recognized Research

AVU is home to the world-class research and Journal of Management Intelligence. JMI is committed to publishing scholarly empirical and theoretical research articles that have a high impact on the management field as a whole.

Career Opportunities

As an AVU graduate, you'll receive valuable information on a variety of job opportunities. Advisors work closely with each graduate to identify the best jobs available.

Estimated costs for 2023–2024

The American Vision University was founded with a vision of making exceptional quality education affordable and convenient for students who are juggling career/family obligations.

Tuition and Fees	\$6,000
Books and Supplies	\$1,200
<hr/>	
Total estimated cost	\$7,200

Payment Options:

Full Tuition Payment: The student has the option to pay for the degree program in a single payment by the date of registration. If this is not possible, a financial plan is available.

Term-by-Term Payment Plan: This option offer students a way to make six equal payments over the course of the program. The first payment will be taken at the time of enrollment. The five remaining payments are automatically withdrawn from the students account in equal installments over the course of the program and are scheduled by/with the Enrollment Advisor. This plan offers for students to finance their education while earning their degree. By avoiding college student loans, students can ideally graduate with zero debt.
